

WELCOME! We're glad you're here and have decided to join us today!

If you would like to learn more about Living Water,
please stop by the Welcome Center located in the lobby area.

TEACHER: Pastor Garry Nyenhuis

SERMON SERIES: "Questions" - the current sermon series is based on questions relating to areas of faith, the church, or religion that have been submitted by the LW family.

SCRIPTURE: Luke 17:5-6

QUESTION: How do I know if my faith is real or enough?

NOTES:

OUR FAMILY

WHAT YOU SHOULD KNOW ABOUT OUR LOCAL BODY

PRAISE: After receiving a radioactive iodine treatment, Allison Decker's test results showed that the uptake in her lungs is gone - meaning the cancer there has been destroyed by the radioactive iodine. Praise God!! In two months she'll have blood work drawn to check her cancer markers and in six months she'll have another ultrasound on her neck area and more testing to re-evaluate the best care plan for her. Her doctor will not label her as "cancer free" until she has had 10 good doctor appointment reports (5 years of appointments every 6 months.) It has been a long road but Allison and her family are very thankful for your prayers and support.

PRAY: R.C. and Angela Fearnow request your prayers in the coming weeks. This past week, R.C. had an accident while at home, and he will be in the hospital for some time recuperating. Please pray for strength as he continues to heal. Also, Angela, his wife, is recuperating from knee surgery, which will hamper her ability to care for R.C. once he is released from the hospital. Please pray for healing for Angela as well, and also for the family as they discern the best course of action regarding care in the next few weeks. (Sheldon Campus)
