

WELCOME! We're glad you're here and have decided to join us today!

If you would like more information about Living Water stop by the Welcome Center in the lobby area.

TEACHER: Pastor Jason Van Wyk
SCRIPTURE: Amos 5:21-24

SUMMARY: Even as we conclude our series on Outreach, Discipleship, and Worship it's important to remember that we are not done focusing on these things. Not as individuals and not as a church. Each of these areas are so important for those who follow Jesus that they should infuse every aspect of our lives. As we study Amos 5, we'll see how worship **MUST** be about more than just songs and more than just Sunday.

DISCUSSION QUESTIONS:

- What does worship look like beyond singing?
- What does it look like beyond Sunday?
- How does who God is impact other areas of your life in a way that brings Him praise?
- What is a new way that you could try to worship God holistically this week?

LIFE APPLICATION:

Mon: Find one tangible way to worship a just God through pursuing justice in our world.

Tues: Bring Honor to God's righteousness by seeking right living in your own life.

Wed: Worship our God who is, in His very nature, love by showing love to another person.

Thurs: Worship the God who sees by opening your eyes to notice and love those who are often overlooked.

Fri: Worship the God who heals by praying with or for someone who is sick.

Sat: Worship our Creator by caring for His creation.

Sun: Worship our Merciful Savior by forgiving someone who has hurt or wronged you.
