

WELCOME! We're glad you're here and have decided to join us today!

If you would like more information about Living Water, please stop by the Welcome Center located in the lobby area.

This week, we begin a new sermon series: RADICAL OBEDIENCE focusing on stories of following God's instructions when they don't seem to make sense!

TEACHER: Pastor Garry Nyenhuis

SERMON TITLE: Noah Builds a Boat

SCRIPTURE: Genesis 6:13-22

SUMMARY: In week one, we will look at the story of Noah, a righteous man who God asked to follow the odd instruction of building a large boat!

As we look at this story, pay attention to these questions as an outline:

1. Why Noah? Why does God choose Noah?
2. Why does God come up with the idea of ending all life?
3. Why does God give so many details on building the boat?
4. Why does God desire to create a covenant with Noah?
5. Why does God give commandments after establishing the covenant?
6. Why does Noah obey?

Then, try these questions to think deeper about what this passage is saying to you?

1. Why does God choose you?
2. Do you believe God is powerful enough to end all life?
3. What details has God given you about how to live?
4. What covenant has God created with you?
5. What commandments does God give you to follow?
6. Will you obey God?
